I/WE _____ by submitting our application, have pledged our allegiance, and support, to the Church Of Cognizance, and the IOMMs of which it is composed.

I will do my best to live an honorable life; in a family oriented mode; as described in The Church Of Cognizance Belief's Introduced; at the Church Of Cognizance Cultural Information Center.

I will not allow any Marijuana raised for religious use to enter into commerce, nor will I provide marijuana to anyone outside of the Church Of Cognizance; other than in providing for the religious use by a potential member; and, that use will be under my direct supervision.

I further agree that until such time as the governments end their war against our sacrament, I will keep any cultivation, or use, confined to a secluded, secure area, in order to mitigate government fears regarding child endangerment.

I further understand it is a duty of mine to share the bounty of any harvest with the sick, and dieing free of charge; when requested, if I am aware, or made aware, of it being beneficial in such situations.

I will respect other family's lifestyles by agreeing not to introduce any minors into the Marijuana Religion.
